

Meeting Monday October 21, 2013

Joint Meeting with AIA Westchester/Hudson Valley Chapter

Location: Westchester Marriott, 670 White Plains Road • Tarrytown, New York

We are having a Joint Meeting event with the AIA Westchester/Hudson Valley Chapter at their Design and Technology Expo on Monday October 21, 2013 at the Westchester Marriott. The Expo Show is from 4:00 to 8:00. Seminars are held all day from 9:00 AM to 9:00 PM as well. The Expo is free to attend. Bi-State Chapter Members are eligible for the AIA member rate of \$10 to attend the seminars. Note that the AIA continuing education units are acceptable for engineering PDH credits. A list of the seminar topics is available on the website <http://www.aiawhv.com/cde.cfm?event=401331>. Please register online on the AIAWHV website – use your ASHRAE member ID number in place of the AIA member number where prompted. You can pay for the seminars online as well.

We would like to encourage contractors, equipment vendors, engineers and the like to support this event by considering a display at the expo. You will reach builders, architects, engineers, and owners throughout the lower Hudson Valley area. A sponsorship form is available here:
